PACE is a simple and effective way to finance energy efficiency and renewable energy building improvements. PACE can pay for qualifying improvements for almost any type of property including commercial, retail, industrial, nonprofit, and multi-family.

Property owners across the United States are using PACE because it saves them money and makes their buildings more valuable. PACE provides financing for 100% of an energy project’s cost and is repaid for up to 25 years with a voluntary special assessment added to the property’s tax bill.

### Why PACE Financing?

<table>
<thead>
<tr>
<th>No Down Payment</th>
<th>Fixed Rate / Fixed Payment</th>
</tr>
</thead>
<tbody>
<tr>
<td>PACE covers 100% of the hard and soft costs of an energy project eliminating the need for up-front capital.</td>
<td>PACE financing rates and terms are fixed for the life of the PACE loan.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>No Personal Guarantee</th>
<th>15-25 Year Term</th>
</tr>
</thead>
<tbody>
<tr>
<td>PACE financing is “guaranteed” by the Special Assessment added to the property’s tax bill, therefore, no personal or business guarantees are needed.</td>
<td>Repayment terms can be extended to match the useful life of the eligible improvement.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Off Balance Sheet Treatment</th>
<th>Triple Net Lease Pass-through</th>
</tr>
</thead>
<tbody>
<tr>
<td>Because PACE financing is solely repaid via a Special Assessment added to the property’s tax bill, “off balance sheet treatment” is recommended by some accountants because the repayment “runs with the land” and not the business.</td>
<td>Because repayment of PACE funding is via a Special Assessment on the property’s tax bill and is technically an increase in property taxes, the property owner can seamlessly share the PACE-financed improvement costs (and energy savings) with the tenant under some lease structures such as “triple nets”.</td>
</tr>
</tbody>
</table>

### PACE Benefits for the Property Owner

<table>
<thead>
<tr>
<th>Preserved Credit Lines &amp; Freed Up Capital Budgets</th>
<th>Energy Savings Low Fixed Payment Extended Term</th>
<th>Energy Savings Low Fixed Payment Triple Net Pass Through</th>
</tr>
</thead>
<tbody>
<tr>
<td>+ Off Balance Sheet Treatment</td>
<td>+ Increased Cash Flow &amp; NOI</td>
<td>+ ZERO Net Cost to Property Owner</td>
</tr>
</tbody>
</table>

---

**PACE Benefits for the Property Owner**

- No Down Payment
- No Personal Guarantee
- Off Balance Sheet Treatment
- Preserved Credit Lines & Freed Up Capital Budgets
- Energy Savings Low Fixed Payment Extended Term
- Energy Savings Low Fixed Payment Triple Net Pass Through
- ZERO Net Cost to Property Owner
OHIO PACE Funding Process

1. **Initial Eligibility Form**
   The property owner completes a brief form at OHPACE.org to help PACE determine if the property and potential energy project is eligible for OHIO PACE financing.

2. **Energy Project Summary Form**
   The property owner works with a OHIO PACE registered contractor to identify eligible energy saving improvements and quantify the energy savings. This form is submitted with the Energy Project Application.

3. **Energy Project Application**
   The application allows the property owner to provide essential financial documentation about the property and its operating status. OHIO PACE provides the information to its network of registered capital providers to obtain PACE financing terms for the owner.
   
   **NOTE:** The property owner must obtain written consent from the existing mortgage holder before a PACE special assessment can be added to the property’s tax bill.

4. **Funding**
   The property owner agrees to financing terms and then the PACE special assessment is added to the property’s tax bill. After the OHIO PACE financial closing occurs, the funding will be available for the eligible energy saving improvements.

5. **Installation**
   The registered contractor completes the installation of the authorized energy saving improvements. OHIO PACE ensures all improvements are installed to the satisfaction of the property owner.

Submit an Initial Eligibility Form at OHPACE.org

About OHIO PACE

OHIO PACE is a program administrator that works with property owners to secure PACE financing for qualified energy projects. It coordinates efforts with local governments and connects property owners with private PACE capital providers and contractors to ensure the successful funding and installation of energy projects.
